Mamma Mia Winner's Testimonial:

We went, we saw and we thoroughly enjoyed.

My husband and I arrived home last night after a fabulous few days in London thanks to the Reader's Digest Association Ltd, Ed Mirvish Enterprises Ltd and other participating companies. Mamma Mia, which we saw on the Friday night, was fantastic and I'm sure we'll be singing those Abba songs for a long time to come, it was a great production. The flights and accommodation were great and sightseeing in London was an experience we'll never forget.

Please pass our thanks and appreciation onto the companies involved and let them know, for us, it was a trip of a lifetime.

Thank you for all your work in organising this trip and making it all work out so well.

Thanks again everyone...

Cheryl & Arnold
